

# High-Density Polyethylene (HDPE)

## Items made from this plastic:

- Shampoo bottles
- Detergent boxes
- Bleaching powder bottles
- Watering can for plants
- Pipes, toys, pens etc.

HDPE plastic can be easily recycled up to ten times.

- HDPE plastic is therefore considered safe to use.
- However, when reusing it should not be used to store food and drinks.

Look for this sign  at the bottom of plastic items in your home.
